

Customer Story

Making the first move.

Fast moving tech business that understands the value of service and relationships

Industry: Technology

Location: Austin, TX

Client Established: 2016

“Corporate Traveler provides a level of service that’s both thorough and anticipatory. We’re an incredibly fast moving business and to have a partner as nimble as us managing our travel needs is invaluable.”

Caroline Roche, Chief of Staff @ Bumble

Background

- World-leading technology platform experiencing hyper-growth
- High-touch support required for all travelers, with frequent last-minute changes

Situation

- Travel demands increasing to the point of being unmanageable internally
- Expertise and guidance required to design and implement a flexible travel program

Solution

- Customizable payment options to facilitate financial consolidation
- High-touch support & efficiency with the ability to scale rapidly

Success

- Superior integration and growth solidified long-term trust and partnership
- Savings in excess of hundreds of thousands of dollars from proactive COVID-19 booking management
